Material Description	Brand	Specification Number	Version	SKU	Commodity code HS code	Country of Origin
IQF B Grade Chicken Drumsticks 1Kg x 15		226	02			GB

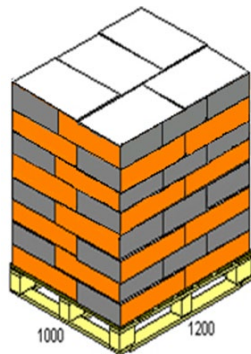

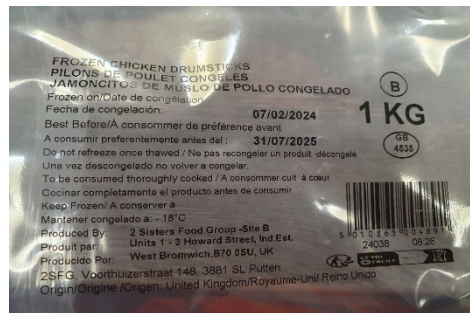

Product Statement

The products covered in this specification originate from birds born, reared and slaughtered in the GB in accordance with the Red Tractor standard. The meat originates from birds that were healthy at the time of slaughter and were not slaughtered in the context of a disease eradication programme. This includes flocks positive for Salmonella spp that are slaughtered under special conditions. The meat does not contain any preservative, colouring or odorising agents and it has not been treated with, or exposed to, ionising or UV radiation. No substances derived from other species (beef, pork etc.) have been added to the product(s). These products are of the United Kingdom preferential origin unless otherwise clearly indicated.

Product grade /class	Class B	Processing/transport and storage conditions	
Unit size	15 x 1Kg	Production	< 4°C
Weight	Fixed	Storage	-18°C
Ingredients	100% Chicken drumsticks	Despatch	-18°C
Appearance	Individually quick frozen - IQF, bagged	Transport	Below -18°C
Allergens	N/A	Shelf life	
Welfare standards	RTA	Fresh product kill to freeze	Maximum kill + 6 days
Other accreditations	N/A	Frozen product shelf life	Up to 18 months
		Once defrosted use immediately	
Additional requirement - barcodes on the bag		5010365004891	
Additional requirement - barcodes on case end label		05010365007496	
Additional requirement		Product description to appear in English, French and Spanish on each bag	
Quality Attributes and Tolerances
