Product Description

General Description	
<p>All wild game is shot by licensed hunters or parties accompanied by licensed hunters. A list of registered hunters is retained by the company. Shot game is stored in chilled larders or delivered, over short distances, by shoot vehicles. Ben Rigby Game operate a fleet of refrigerated vehicles that collect game from our supplier's chillers and return it to our FSA approved, BRC certified plant for processing. All our game is hunted in the wild and whilst every effort is made, please be aware that this product may contain shot and or bone fragment.</p>
