INTENDED USE:

Customers:

Carcasses are destined for sale to export customers in primal and bulk pack cuts (carried out in the co-located Cutting Room), along with sales to the local market in cuts, retail packs or carcass form. Local customer base consists of wholesalers, distributors and local retailers, hotels, restaurants.

Consumers:

Prior consumption, consumers are expected to further process the meat by cooking (i.e. grilling, boiling, etc.)

Suitable for consumers from all age groups including those that belong to the vulnerable group (i.e. allergen sufferers, young, elderly, pregnant and immunocompromised, etc.)
